last night in as many months. There have been numerous shootings and other homicides there in the last year. Everspring is a center of drug dealing and prostitution. It has numerous safety violations in that fire alarms do not function, capacity limits are routinely exceeded and fire escapes are blocked. When was the last inspection performed on this facility? Why hasn't the occupancy license been revoked for Everspring Inn? How can area residents challenge the renewal of its license? What is being done to address Everspring as a nuisance property?
